Downloadable materials in blue

**Meeting at 9:30 a.m.
State Office Building Auditorium
150 Third Street, First Floor
Baton Rouge, Louisiana**

AGENDA ITEM VIII B

REPORT OF THE ASSOCIATE COMMISSIONER

STATUS OF ONGOING EXTERNAL REVIEWS

STAFF COMMENTS

3. Other Proposed Graduate Programs

a. Southeastern Louisiana University

The staff is in the process of engaging the services of teams of external consultants to review proposals from Southeastern Louisiana University for new M.A. in Organizational Communications, M.S. in Integrated Science and Technology, and M.A. in Applied Sociology programs. On-site visits by consultant teams to review these proposed programs are anticipated for April-June, 2001.

b. Nicholls State University

The staff recently received a proposal from Nicholls State University for a new M.S. program in Applied Marine and Environmental Biology. A list of prospective consultants will be formulated, sent to Nicholls for a response, and then a review panel selected. An on-site visit by the chosen consultant team to review the proposed program is anticipated for June, 2001.
